Dear Sir/ Madam,

**Apply to: Mobile Developer position**

Having read your recent advertisement on the TopDev.vn website for the vacancy of Mobile Developer, I write to apply for the post.

I graduated from FPT Polytechnic College majoring in Mobile Device Programming. After graduating, I worked for FINGER MOBILE Co., Ltd. In this position I have experience in working with modules and databases, in addition I also work with server processing. I am responsible for developing websites and others tools, managing, optimizing and integrating various assets to achieve desired objective, connecting to back-end data via middleware or static data, creating and implementing various applications... At here I have experience working with NodeJs, MonggoDb, React.

In addition, I can use English quite well, especially can read and understand specialized documents, have the ability to work independently and in groups. I am also willing to travel far and work overtime as required by the job.

I am positive that I can meet your company's requirement with my experience, background, and skills. I look forward to hearing from you at your earliest convenience. Thanks so much for your time and consideration.

Yours faithfully,

Hoang Van Huynh
